How can we learn to grow spiritually through her example?

An Excerpt from Evangelii Gaudium

Eternal newness

The new evangelization for the transmission of the faith

I have dealt extensively with these topics, with a detail which some may find excessive. But I have done so, not with the intention of providing an exhaustive treatise but simply as a way of showing their important practical implications for the Church's mission today. All of them help give shape to a definite style of evangelization which I ask you to adopt *in every activity which you undertake*. In this way, we can take up, amid our daily efforts, the biblical exhortation: "Rejoice in the Lord always; again I will say: Rejoice" (*Phil 4:4*).

Clontarf Historical Society
