Beacon is a free-to-use app designed by faithful Catholics that allows Catholics in Ireland to find events based on interest and/or location.

The app was born when its creators noticed the plentiful number of Catholic events happening around Ireland, but most promotion happened through means most likely to reach people who already have strong Catholic networks (i.e. word of mouth, WhatsApp groups etc.). Hence the aim of the app is to ensure that any Catholic in Ireland, from someone coming back to the faith for the first time in years, to an immigrant just arrived in Ireland, has the same knowledge of Catholic events as someone who has spent years in Irish Catholic circles.

To download, just go onto the Google Play or app store, and search Beacon Catholic Events or search www.catholicevents.ie
