### VLM School's Immersion Programme 2025

The Vincentian Lay Missionaries have been working in Africa since 2002. This year 10 of us from St Pauls are going to stay at the De Paul school in Kamulu, Kenya, to help students there with their English and other studies as well as offer practical assistance with school improvements and building works. We will spend time with the students, who range in age from 4-16 years old and their families, which will be a valuable experience for us to bring home and take on with us through our lives.

Next weekend the 15<sup>th</sup> and 16<sup>th</sup> of March 2025, we will attend Masses at St Johns Church to speak about the work that VLM are doing in Kamulu and ask for your help. Many thanks to the parish for their support with this.

## PARISH NEWSLETTER 9th March 2025

### Help Start a Youth Faith Group in Clontarf/Killester!

Would you like to see a vibrant youth faith group in our community—a space where young people can grow in their faith, connect with new friends, have fun, and find encouragement on their journey?

We are looking for parishioners who would like to join a team to plan and bring to life a faith-based youth group in the Clontarf and Killester parishes. Whether you have experience working with young people or simply have a heart for encouraging the next generation, we would love to hear from you! Please keep this initiative in your prayers, that it may become a reality in our community. For more information or to get involved, please contact Teresa Menendez at 086 813 1820.

### Deepest Sympathy

We send our deepest sympathy to the family and friends of Louise McGowan who died during the week. May the Lord grant her eternal rest.
